We give our verdict on new products in our unique site tests, but now we want to give you the chance to try them – **AND KEEP THEM** – for yourself!

All you have to do to enter the free draws is simply circle the readerlink numbers and return the freepost card to us at your earliest opportunity.

## 10 PAIRS OF SAFETY SPECS

### MAKITA SAFETY GLASSES

With eye protection being an essential part of your PPE kit Makita is offering a range of the coolest, low impact energy from high speed particles, sunglass-style safety glasses. Whether you choose to keep them for site work or wear them on the beach, you know you'll be safe, stylish and comfortable. The give away includes ear plugs, retaining cord, cleaning cloth and protective pouch with belt clip.

These glasses are a sight for sore eyes and we have 10 pairs of silver frame glasses with blue mirror lenses to giveaway. Circle readerlink 154

## 10 SCREWDRIVER CASES

### SPIT DRIVA TP12 SCREWDRIVER CASE

The Driva TP12 Screwdriver case from Spit contains 200 Driva TP12 anchors along with a screwdriver, the kit is ideal for tradesmen wishing to fasten light/medium loads to plasterboard. It's quick and easy to install, with only the use of a screwdriver required. There is no need for pre-drilling and the anchor is fully removable, as well as being corrosion resistant. The anchor requires no maximum or minimum plasterboard thickness.

Get on the case with our free and unique reader enquiry service. There are 10 of these Spit Screwdriver Cases on offer and all you have to do is circle the readerlink 155

## 3 WHEELBARROWS

### BELLE WARRIOR WHEELBARROW

The Belle Warrior Wheelbarrow is designed for all builders, contractors and landscapers. With a high density polyethylene 100ltr tray that withstands the rigours of the toughest site conditions, this barrow is indestructible in normal conditions and, being non-stick, is easy to clean as well. It also offers a low noise option when loading bricks and building material, which is ideal in urban areas. With an extra wide profiled deep treaded tyre and an additional inner tube, this alleviates the possibility of punctures and offers better use in sandy conditions, whilst an optional 'never leak again' foam filled tyre is also readily available.

You could be wheeling away like

Rooney after a winning goal if you get your hands on one of these Belle Warrior Wheelbarrows. We have three on offer. Circle readerlink 156

## 50 CONCRETE REMOVER AEROSOLS

### 50 ECO-FRIENDLY CONCRETE REMOVERS

#### DUZZ AEROSOL 500ML

Duzz is an eco friendly concrete remover. The water run-off is pH neutral (6.5) and it eliminates damage to your equipment and the risk of burns and contamination to the user. The product removes concrete build up from all types of construction equipment and even your most sensitive components. It does this without corrosive acid, so it will not damage surfaces, paintwork, metals, plastics, paving slabs, bricks and other common building materials such as glass, and cement base materials. The product is available in three different sizes, 5 litres, 20 litres, and the conveniently sized 500ml aerosol.

This concrete remover Duzz the trick. And we have 50 Duzz 500ml Aerosols up for grabs. Simply take advantage of our free reader enquiry service to be in with a chance. Circle readerlink 157
